IDA-Tennessee Branch, Berean Christian School,
and Knox County Dyslexia Advisory Council

present TWO Workshops

for ALL public, private, and homeschooling administrators and teachers

Mary Wennersten, M.Ed., Vice Chair of IDA

Mary Wennersten works for the Arizona Department of Education in the Exceptional Student Services (ESS). She is one of the lead developers for the State Systemic Improvement Plan (SSIP) which is focusing on 3-8th grade reading along with developing the state Multi-Tiered System of Support (MTSS) for both behavioral and academics. Mary has spent 29 years in public education at the school, district and state level as a teacher, coach, instructional specialist, professional

developer and director focusing on improving K-6 literacy skills for all students.
